

Billing Code Information

Note 1: You are going to have to do quite a bit of research to find the billing code information since it's not easily accessible with a simple google search. Combing through filtered r/childree FIX posts definitely helped me.

Note 2: Your doctor can and should help you with the billing code information, so don't stress out too much if you're struggling with this portion of your binder. The reason I included this page is to show that I am serious about my decision and so that I can try to understand my rights a bit better.

The ACA requires birth control to be free (with a few exceptions) and the guidelines include female sterilizations as part of that requirement. Medicaid covers [insert requested procedure] in most cases, as long as the procedure is billed properly as an elective procedure.

From my research, I've gathered that [insert requested procedure] are coded under either XXXXX (or XXXXX). I've seen bulletins online from [your state] that do include XXXXX [insert requested procedure] under the sterilization bulletin, which means that the procedure should be covered 100%.

I would like to be informed about and involved in the billing process, and I would like written statements throughout the process in case an insurance claim/dispute arises.

According to [a document published by a government department from your state], the following codes cover ["female genital system" or something similar] procedures: XXXXX, XXXXX, XXXXX,
